The Announcement

Eight of the most prominent breeders of this section have combined to offer the best lot of Shorthorns ever to be sold at this well known sale center. Several of the consignors, including Creswell and Miller, have been using choicely bred CUMBERLAND bulls produced in the famous Joseph Miller Sons' herds. Among the bulls rich in Cumberland blood is the great roan son of the noted show and breeding cow Oakdale Augusta 14th. Several grandsons of the famous International grand champion OAKDALE STANMORE sell. VILLAGER blood is prominent in the sale. MARSHAL'S BEST, a richly-bred Fair Marshall-Villager bull is a great prospect. Several sons of VICTORIA'S VLLLAGER are in the sale and quite outstanding. DREADNAUGHT blood will be found in five outstanding heifers by the impressive sire DREADNAUGHT CHOICE. The great CUMBERLAND MATADORE appears close to the top in the pedigrees of five of the best bulls that have been sold in Eastern Iowa in years. The famous Owens sire MELBOURNE RODNEY has a son and a grandson in the sale, both reds, and both of choice quality. What this offering lacks in numbers it has more than made up in quality.

Every person interested in Shorthorns is invited to attend the sale. High prices are not anticipated though the quality of the stock listed in this sale warrants a high appraisal. We will be pleased to have you bid for these cattle what they are worth to you and every bid will be thankfully received.

Recent sales of breeding cattle indicate that prices are higher than they were a few months ago but we believe that they are not nearly as high as they soon will be. Therefor this is a good time to buy.

Study the pedigrees and the statements presented in this catalog and then come to the sale and buy. The purchase will prove to be a good investment. Please bring this catalog when you come to the sale.

Terms & Conditions of the Sale

LOCATION—The sale will be held in the comfortable sale pavilion at Durant, Iowa, on Thursday, April 12th, 1934. Durant is on the paved U. S. Highway No. 6, twenty miles West of Davenport and thirty-seven miles East of Iowa City. A complete network of paved roads make it easily accessible from all parts of Iowa, Illinois and adjoining states.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

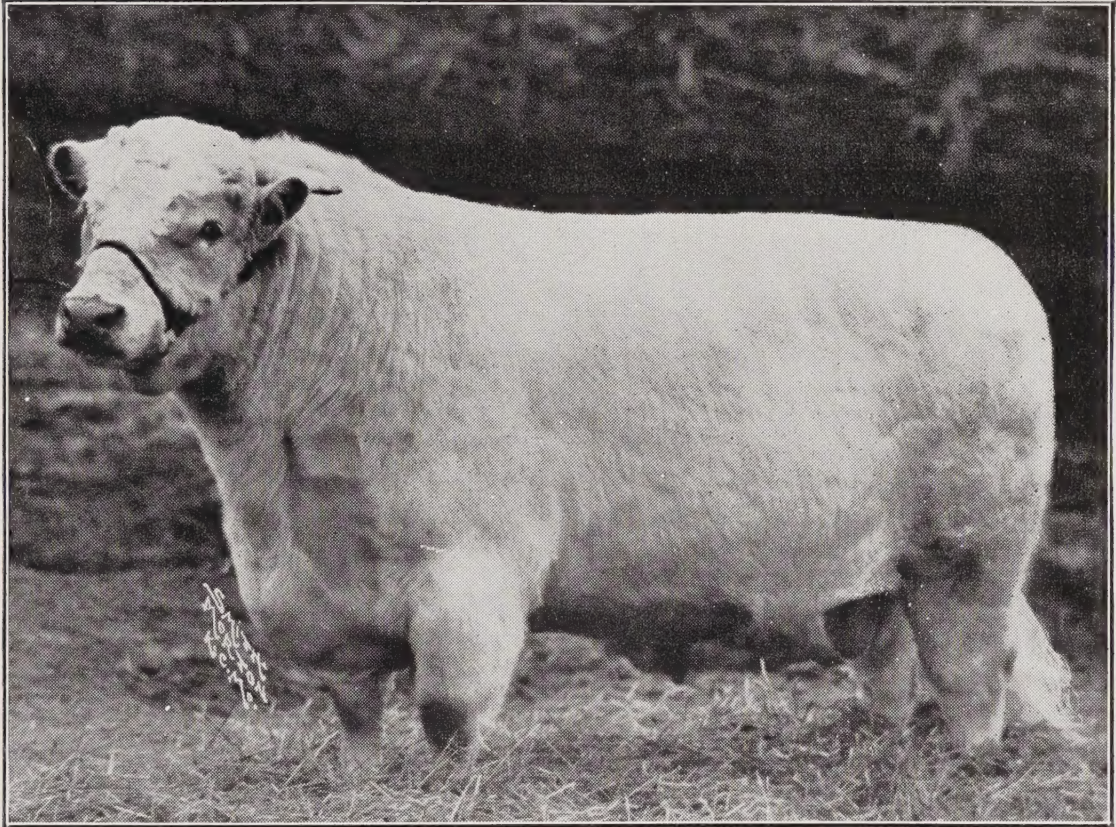

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

BIDS—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World; to J. E. Halsey of Wallaces' Farmer, or to any of the consignors.

The rise in prices of pure bred cattle has come but pure bred Shorthorns are still the corn-belt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy now and be ready to sell them.

Oakdale Stanmore 1193382

Oakdale Stanmore made an enviable record as a show bull. He was undefeated in class as a junior bull calf, junior yearling, two-year-old and as an aged bull, though he was shown during those years at the most important state fairs and at the International Stock Show. Three times he was grand champion of the Iowa State Fair and in 1926 he was grand champion of seven state and national shows including the International Stock Show. He and his three quarter sister twice won the Dugan trophy for the best bull and female at the International. A picture of this female, Oakdale Augusta 14th appears in the center of this catalog above the pedigree of her son.

A large number of the cattle to be sold in this auction are grandsons or granddaughters of Oakdale Stanmore. See lots 1, 9, 10, 11, 12, 25 and 26. The "Cumberland blood" exemplified in Oakdale Stanmore and his close descendants has done much to create the modern type of Shorthorns.
